

CHESTERFIELD COUNCIL ON AGING

Chesterfield's Age Wave Readiness Plan

Chesterfield is a large county that has a diverse community of older adults, widely ranging in age, income and cultural backgrounds. Opportunities where services are needed or where there is a need for enhancement include affordable and accessible housing, transportation, assistance to older adults raising grandchildren and information on services and programs available in multiple languages, to name a few.

Come learn and join in the dialogue on the Coalition's Age Wave Readiness Plan. Learn about the various action committees and ways you can get involved. The program will be presented by Scott Gilchrist, facilitator of Chesterfield's Age Wave Coalition, and Debbie Leidheiser, Senior Advocate.

Thursday, September 22
9 a.m.
Lucy Corr Village
6800 Lucy Corr Blvd., Chesterfield
